

Welcome to the West Yorkshire Careers Hub

West Yorkshire Careers Hub

Careers Hubs are a central part of the government's Careers Strategy and Statutory Provision for School Leaders. The aim is to help all secondary schools and colleges implement high quality careers guidance to help young people make more informed decisions around their future choices.

The West Yorkshire Careers Hub supports the region's secondary schools and colleges to have a modern 21st century careers strategy, supported by our network of business volunteers.

We work in a very inclusive manner tailoring our offer to all educational institutions across West Yorkshire.

"It's essential for young people that the schools and colleges in the area work closely with the Careers Hub to give them real capacity to develop the best and most effective careers programme possible."

Nicola Hall – Director of Education and Grant Funding

How can the Careers Hub support your school / college?

- Free consultative support and action planning with an Enterprise Coordinator
- Strategic working with dedicated Enterprise Adviser (senior leader from a local employer)
- Access to free resources to support delivery
- Peer to peer support from other hub members
- Best practice support from the Careers Hub Community
- Access to funded training and to high quality resources
- **Access to one of three community of practices:**

Tackling disadvantage

Connecting business to education

Promoting the skills needs of our region

Nationally, Careers Hubs support schools and colleges to make faster progression towards the Gatsby Benchmarks (against all benchmarks but specifically 1, 5 and 6).
