

MAP IT OUT

Before you start to plan out your festival site, make sure to look carefully again at the location you picked at the start of this challenge. For example, if you chose to hire Harewood House, you need to make sure you know how many stages can be built on that site.

Spatial Guidelines

Large stage 4 squares

Small stage 2 squares

'Pop-up' stage 1 square

Toilets 10 per 1 square

Food stall 2 per 1 square

Refreshment area 2 per 1 square

First aid stand 1 square

Information kiosk 1 square

Facility Rules

Electricity pylons

250m from all areas (focus on camping areas and areas where people congregate)

Stages

At least 200m apart from each other

Food stalls/bars

50m apart and at least 100 metres from toilets

Toilet facilities

100m apart and at least 100 metres from food/bar stalls

Information points
